## CAMBRIDGE INSTITUTE

**Cambridge Institute** is one of the leading foreign language institute in India offering writing, reading and speaking course in 6 different foreign languages. Being in the education industry for the past 13 years, our Institute offers specially designed foreign language courses with quality contents coupled with better learning environment. Our trainers largely concentrate on modern teaching methods and devote themselves in improvising foreign language speaking ability of every student. It gives more importance to current changing trend of business and trading between two different countries for which speaking fluently is highly essential.

With this fast growing globalization world, it is important to learn different languages and set yourselves in the country which you will be visiting or residing. And to set in that environment it is essential to speak language of that country, this is what Cambridge Institute wants to offer. At Cambridge Institute we are committed to offer the best foreign language course for beginners. Every course will be delivered by well trained and experienced professional trainers who will train you to set a benchmark in languages education. Learning under world class facility, our institute will help students to change according to the world changes. Cambridge Institute imparts training in languages like German, French, Russian, Spanish, Chinese and Arabic. Besides this, it also offers translation and interpretation service which is much more needed in current globalization trend.

# ARABIC

## **Introduction :**

The Arabic learning at Cambridge Institute is basically divided into three parts:

## **Language Proficiency :**

**LEVEL - A1   LEVEL - A2   LEVEL - B1**

### **LEVEL - A1   (BEGINNER)**

Where a student learns the basics of Arabic.

### **LEVEL - A2   (INTERMEDIATE)**

This is where a student gets more fluent in Arabic and learns to communicate and converse better.

### **LEVEL - B1   (ADVANCED)**

This is where a student fully learns all of Arabic as a language.

## **The Competence level of Arabic is divided as such:**

1. Writing
2. Vocabulary, Grammar
3. Reading
4. Listening
5. Speaking

**ARABIC, CHINESE, FRENCH, GERMAN, JAPANESE, SPANISH**
