SPANISH

Introduction :

Spanish is the 2nd most widely spoken language in the world. With growing business relation between India and Latin America, thus opens more reasons for learning Spanish as it is second widely used language in business world. Spanish is the Official language of more than 20 countries, and the second most spoken language in USA.

Learning Spanish helps you to understand Portuguese to a large extent.

We at Cambridge institute follow the common European Frame Work (CEF). CEF divides Spanish in 6 levels, these levels are as below describing what the learner is suppose to do in reading, listening, speaking and writing:
